Dear Treasurer,

Beginning January 1, 2007, the Federal Election Commission (FEC) will begin sending all courtesy materials to committees exclusively via electronic mail. This means that reporting reminders and other mailings concerning changes in the law will no longer be sent to committees through the U.S. mail system. As a result, it is important that every committee update its Statement of Organization (FEC Form 1) to disclose an official (and current) email address.

FEC records indicate that your committee's current email address information is:

Undisclosed

If this address information is correct, no further action is required on your part. However, if this information is inaccurate or undisclosed, please amend your FEC Form 1 accordingly.

The Commission recognizes that disclosing a personal email address on a public document may raise privacy concerns. For that reason, committees may wish to create a separate email account solely for this purpose. As the agency begins to communicate with committees electronically, keeping that email address current will be essential.

For assistance with amending FEC Form 1 (enclosed), please feel free to contact staff in the Information Division (1-800-424-9530; press 6 when prompted) or your assigned Campaign Finance Analyst in the Reports Analysis Division (1-800-424-9530; press 5 when prompted).
